## **Trail Maintenance**

Generous land owners throughout Jefferson have consented to our use of their private property.

Club members have worked hard to earn this permission and continue to work hard to maintain this

trust. A single discourteous rider can do irreparable harm to our efforts. PLEASE, stay on the trails,

whether in the woods, across a field, or on the golf course. Everyone's enjoyment depends upon it.

We receive many compliments throughout the year about the excellent riding that snowmobilers

enjoy in Jefferson. Our club maintains two groomers fully equipped with plows and drags. Performed

most of the time by long time members, Jeff Heath and Marty Cameron, the grooming is non-stop as

long as there is snow on the ground. You may encounter grooming equipment or other obstacles on the trails at any time.

## **How Can Members Support the Club?**

Joining a club and NHSA is one of the most important ways to show support. The club currently has

115 family memberships and 74 singles, which represents a minimum of 300 people. Way To Go!

Financial donations are always helpful, those groomers eat up a lot of \$\$\$! Attending meetings,

volunteering for and/or attending special events, serving as club officers, or buying raffle tickets are all important. Do you have a special skill or talent? A great idea? Don't be afraid to make a suggestion. Everyone helps in their own way and it is all appreciated.

New content for our website would be a great contribution. Everyone has a camera! Send us those snowmobiling pictures and trail reports.

*Super Raffle* Prizes awarded Feb. 5th at the NHSA Seals Ride-In. You do not need to be present to win. *\$5.00/ticket*
